**Due Thursday, May 25, 2023 2:00PM Solicitation No. 23239**

The following is to be made part of the original specifications as though issued at the same time and shall be incorporated integrally therewith. This addendum shall be acknowledged on the BID FORM when submitted to the Purchasing Department prior to the bid due date/time.

**Item No. 1** – Responses to vendor questions:

<b>Vendor question:</b>	<b>Department response:</b>
1. <b><u>Question 1:</u></b> Is the July 30 <sup>th</sup> 2023 completion date for just the asbestos abatement portion of the project?	<b>Correct, July 30<sup>th</sup>, 2023 is for the completion of the abatement project.</b>
2. <b><u>Question 2:</u></b> Addendum #1 (one) has just one attached drawing/plan sheet titled A1 – <b><u>“Flooring Installation Plan”</u></b> . Are we to use this drawing/plan sheet as the environmental asbestos abatement plan sheet, or will you be issuing an actual environmental asbestos abatement plan sheet with all the applicable environmental general and specific key environmental notes and legends detailing the specific asbestos abatement required and applicable for this project?	<b>The asbestos plan sheet will be issued with notes and legends will be issued.</b>
4. <b><u>Question 3:</u></b> What is the anticipated notice to proceed for this project?	<b>June 1, 2023</b>
5. <b><u>Question 4:</u></b> In the asbestos abatement specification under division 1 – general requirements section 02 82 10 “Summary of Work” page one, part one, 1.2 (work covered by contract documents), subsection C, number 1, part b “The encapsulation of asbestos-containing spray insulation as indicated on the drawings”? Does this apply to this project? The only drawing we have been given so far does not speak to any environmental asbestos abatement notes or legends spelling anything out, only flooring installation and associated notes for flooring installation.	<b>There is no required encapsulation in the asbestos plan.</b>
5. <b><u>Question 5:</u></b> Under the “Special Requirements Specific to the New Iberia Research Center”, page 5 of 42, it speaks to medical requirements, and enhanced security clearances for contractors. Will these requirements apply to this project since it is on ULL main campus in Lafayette?	<b>The “Special Requirements Specific to the New Iberia Research Center” will not apply for this project.</b>
